

MBTA PENNY WAR

Go against other MBTA students as you race to win the penny war!

Bring pennies to help your grade win! Bring nickels, dimes, dollars, and more to sabotage other grades!

The grade with the most points wins! (please go to 311 to make donations)

All donations will go towards Bottles4College, an award winning 501(c)(3) nonprofit organization that collects recyclable cans and bottles to protect the environment and creates college scholarships for students in Hawaii.
