Questions:

Any questions about picture-taking? Please contact Mrs. Tavares-Sumiye at mstavares@ethompson.org or [808-441-8013](tel:808-441-8013).

NOTE:

- Students are NOT ALLOWED to wear hats, beanies, or sunglasses for their school ID or pictures.
- Elementary classes may be in session while you are waiting for your turn. Please be considerate and keep the noise level down so as not to disturb either the virtual or face-to-face classes occurring.
- Oahu Elementary students will need to be escorted by a parent to and from picture taking. Please do not drop your child off at the curb for picture taking. If an elementary student is scheduled for classes during picture taking, please plan accordingly and bring your child to an earlier session prior to 10:00 am. Students will not be taken out of their scheduled class to take pictures.
- There is NO CHARGE for school IDs
- There are absolutely NO RETAKES for school IDs.
- If you ordered a photo package and would like to retake your photos, you will need to bring in the first/old picture package with you to do the retakes. The photography company will collect the first/old picture package before you retake you photos.
- Neighbor Island Students - If you would like a school ID, please send a picture to Mrs. Tavares-Sumiye at: mstavares@ethompson.org
 - Please send me a close-up of each child looking directly at the camera. The background should be plain (like in a regular school photo).
